# WE NURTURE ALL AGES IN A VARIETY OF DANCE STYLES!

---

## DANCE STYLES WE OFFER

**JAZZ:** A dynamic, modern style of dance that allows students to show off their individual flair & personality.

**TAP:** A rhythmical & technical dance style using tap shoes to create audible beats and sounds.

**BALLET:** Ballet is the foundation behind all dance styles and is highly recommended for students wanting to further improve posture, strength, flexibility & leg lines.

**CONTEMPORARY / LYRICAL:** Is an expressive dance style that combines elements of jazz and ballet together. It involves fluid movements that are often expressed in conjunction with particular music genres.

**HIP HOP:** Is an urban style of dance where students use energy and strength to create strong dances, often including fun tricks!

**MUSICAL THEATRE:** Is a more theatrical performance piece which can combine song, singing, dialogue, acting & dance!

**ACRO DANCE:** In this class, students learn how to correctly conduct safe acrobatic movements that are combined into a dance piece.

**TECHNIQUE CLASS:** This class focuses on strength, flexibility, stretching & recovery - all of which are important to help improve students dance abilities and necessary for all competitive dance students.

**TINY TOTS / LIL GROOVERS:** This class caters to our littlest dancers and aims to share our love of dance in a fun and caring environment. They will learn age appropriate basic ballet and jazz skills through fun movement, music & games!

**TROUPE:** Our Performance / Eisteddfod Troupe Teams are aimed at those who wish to compete and take their dance to the next level. These classes are held in addition to other weekly dance classes and the Technique Class. Each troupe aims to learn a Jazz, Contemporary/Lyrical & Hip Hop Routine to compete with.

Please note - our troupe teams are year-long commitments and most competitions are held in school holidays or on weekends. A separate note will be distributed in Term 1 to troupe students with competition dates for the year. This class requires commitment from every team member to perform at a high level. Every child will also require a personalised CC Studio Jacket to be worn to all competitions.

**PRIVATE TUITION:** We offer private lessons for Solos, Duos & Trios for those who wish to train in a more tailored approach. This may be to create / perform individual dance pieces or to focus on improving specific dance skills.

## UNIFORM

Students are to wear all black dance attire / active wear. This may be a leotard, singlet, tights or shorts - anything they can freely move in. Tiny Tots & Lil Groovers can wear whatever their little hearts desire to help encourage their creativity freedom!

We also sell Studio Apparel that can be purchased using our Uniform Order Form.

## DANCE SHOES

Correct footwear is important for the protection of students feet and safety during dance. Please see the list below as to what shoes are required per dance style.

Jazz & Musical Theatre: Tan slip-on Jazz Shoes

Tap: Tan Tap Shoes

Hip Hop: Black Sneakers

Contemporary: Half Sole Dance Shoe in Tan
